At no cost to the owner, for three years from the start of this limited warranty, PVI will, if the heat exchanger has a manufacturing defect or produces rusty water or leaks, repair the heat exchanger.

If, in the judgment of PVI, the heat exchanger cannot practically be repaired, this heat exchanger repair limited warranty will not be in force and the heat exchanger replacement limited warranty will be in force.

**HEAT EXCHANGER REPLACEMENT LIMITED WARRANTY**

For five years from the start of this limited warranty, if, in the judgment of PVI, the heat exchanger is not repairable, PVI will replace the heat exchanger with the then current equivalent model. The first three years will be at no cost to the owner for the exchanger, labor, or freight.

From the beginning of the fourth year to the end of the fifth year from the start of this limited warranty, PVI will offer to sell the owner a new heat exchanger of the then current equivalent model. The cost to the owner will be equal to 70% of the then current list price. No labor or freight will be authorized or paid by PVI.
