for VERTICAL TUBE WATER HEATERS

PURPOSE

PVI is a customer-oriented company and our desire is customer satisfaction. PVI's purpose is to provide the user with protection against failure, which could occur during the time period detailed within this limited warranty.

TANK REPAIR LIMITED WARRANTY

For three years from the start of this limited warranty, PVI will, if the tank produces rusty water or leaks, repair the tank so that it does not leak or produce rusty water.

If, in the judgment of PVI, the tank cannot practically be repaired, this tank repair limited warranty will not be in force and the tank replacement limited warranty will be in force.

TANK REPLACEMENT LIMITED WARRANTY

For five years from the start of this limited warranty, if, in the judgment of PVI, the tank is not repairable, PVI will replace the tank with the then current equivalent model. The first three years will be at no cost to the owner for the tank. No labor or freight will be authorized or paid by PVI.

From the beginning of the fourth year to the end of the fifth year from the start of this limited warranty, PVI will offer to sell the owner a new tank of the then current equivalent model.

The cost to the owner will be equal to the number of months in service from the date of start of this limited warranty, divided by the total number of months of this limited warranty, times the then current list price. No labor or freight will be authorized or paid by PVI.

ON TANK LIMITED WARRANTY**

If the long-life service policy is purchased and registered in PVI's warranty file, PVI will repair or replace the tank and pay for all freight and labor during the first three years from the start of this limited warranty. Subject to General Conditions.
